

Importers, Manufacturer & Suppliers of :
 Scientific & Laboratory Testing Instruments,
 Glass Wares & Laboratory Chemicals
 Specialist in Paint, Ink, Oil, Petroleum &
 Powder Coating Test Equipments.

ARHAM SCIENTIFIC CO.

For more than a decade, our customers have bought with confidence, selecting from among the finest, most reliable products while receiving unparalleled customer service. As a result we excel ourselves as a premier supplier of instrumentations, laboratory equipments and Lab wares meeting the individual customer's needs.

Our Major dealing range includes instruments for

- Paint, Inks, Powder Coating, Pigments, and Varnish manufacturing and processing industries.
- Oils, Petroleum, Grease, Bitumen, Wax and Tar manufacturing industries.
- Meteorological, Environmental and Metallurgical Testing Labs.
- Pharmaceutical, Rubber, Plastic, Paper related industries.
- Soil, Cement, Sugar, Grains and other industries.
- Water Analysis and Analytical Testing Laboratories
- Electronic and Precision Measuring etc.

We approach your good self with an earnest request to include our name as a regular supplier for all sorts of Products that a Laboratory can Need. We provide customers support for the longterm-support before, during and after sale to ensure the customer buys the right product for his/her application, and knows how best to use and maintain it. We appreciate the lifetime value of a customer, as opposed to the quality supply at reasonable Price.

We hope that you, the customer, always have a positive experience while working with us. Further if you require any type of clarification / information please feel free to communicate us.
